SUMMARY

I am a beginner front-end developer with six years of experience in process management, which has sharpened my communication and collaboration skills. My passion for programming led me to focus on CSS, HTML, JavaScript, and React through extensive personal projects over the past year. I'm committed, responsible, and a quick learner. I'm eager to contribute to a professional team through an internship, confident in my ability to exceed expectations and make a valuable impact.

EXPERIENCE

Intern Frontend Web Developer 12/2022 - Present
Freelance Self-Employed Lund, Sweden
